

Distinctly Set Apart from the Rest—Ask Our Customers!

Dear Michael,

We just wanted to drop you a note to let you know what a tremendous job you did catering our anniversary week. We can't thank you enough. Both of us checked out quite a few caterers before we chose you. The deciding factor was the way we were treated on the phone, your personality and the efficiency of your staff to answer any questions I had, and to put my mind at ease that nothing was a problem. We are also in the service business and we strive to WOW a customer when we get them, so I am very well aware of how you make a person feel when you deal with them is what lands them as a client. Your business came thru with flying colors. When you give people top quality service it just makes the food taste that much better.

From time to time we cater employee lunches and I look forward to using your services again.

Sincerely,

Kathy & Marco Bonelli/SALON AT THE RITZ

Dear Michael:

I would like to take this opportunity to thank you and your staff for the excellent service and wonderful food you provided this past Saturday at my family's celebration.

Your staff, Penny, Linda, and Theresa were exceptional. They were warm and friendly as well as professional and efficient. My guests had nothing but compliments about the service provided. Our every need was addressed with a smile.

Thank you for helping to make the party a great success and my day enjoyable.

Very truly yours,

Dear Michael,

I wanted to thank you for stopping in to visit the lunch meeting today. As always, the food and services were impeccable! Joe did a great job explaining your services and answered the questions of all the women who attended today's lunch.

As I told Joe, I am constantly referring people to Anthony Michaels' Catering and telling them how wonderful the food is.

As I have told you in the past, it is always a pleasure to deal with anyone from your company. That cannot always be said for other companies and its nice to know those from your company are so kind and accommodating in dealing with Comcast.

Well, thank you again for everything and we will see you next week sometime.

Sincerely,

Tiffany Cera

I just had to write to say thanks! My son's first communion party was a HUGE success. Everything was perfect. The servers you sent were by far the greatest part of the party. For the first time ever I actually attended a party that I hosted. They were amazing so helpful and personable everyone loved them it was like they were part of the family by the end of the night. The food was incredible, everyone is still talking about it – I had neighbors coming in b/c they heard everyone saying how great it was. From the filet to the cake everything was delicious. So now I am spoiled, no more spending 3 days prior to a party preparing...I'm calling you!

Thank you so much for making a special day even better.

... and our check is on the way!

Michael,

Monika and I just wanted to thank you for the wonderful job you did catering our wedding. You made preparing for our wedding easy and simple. Your personal touch throughout the planning process really helped us more than you know. You were always accessible and flexible and met with us whenever and wherever we needed. This was very much appreciated given our busy resident lives.

The food was spectacular! I wolfed mine down, but it was delicious. Everybody at the wedding and even afterwards were commenting on how fantastic the food was. My aunt said, "It was the best food she had ever had at a wedding." I also wanted to thank you for making sure the wedding party was well taken care of in terms of drinks and appetizers as we waited to be introduced after our pictures.

Most of all we would like to thank you for your professionalism. Thank you for not worrying Monika by keeping the fact that your wife had your first child 2 nights before our wedding a secret. The fact that you were able to pull it off with all of that going on in your life is a true testimony to you and your staff.

I was pleasure doing business with you and we will definitely be using Anthony Michael's Catering for all our future catered events.

Thanks again and warm regards,

Jason and Monika

P.S. We hope all is well with your little girl. Make sure you bring her up to be a huge Eagles fan.

Christine,

The party was great! The food was fabulous, the service was awesome and it was greater night then we ever imagined! It was so nice of Michael to come. Give him a personal thank you from me and Lisa. We look forward to working with you in the future.

(We will be enclosing the tips for the bartender and servers with the final payment)
